

Tennessee Comprehensive Lung and Sleep Center has adopted the following office protocol to protect our patients and staff during the COVID-19 outbreak.

- **PLEASE DO NOT COME TO THE OFFICE IF YOU ARE EXPERIENCING A FEVER.**

- If you are experiencing any of the following symptoms:
 - Coughing
 - Wheezing
 - Shortness of breath

Please take a mask upon arrival and immediately notify our front desk staff.

You will be taken to a dedicated room for evaluation by our providers.
